

Join us for the
Parents Leadership Council Social

Friday, February 20, 2015
4:00 - 6:00 p.m.

University of Oregon
Walnut Room, Erb Memorial
Union

Dear ,

Happy New Year from the University of Oregon!

We hope you will be joining us in Eugene for **Winter Family Weekend 2015**, February 20-22nd. The weekend will provide an opportunity for you to reconnect with your student while enjoying tours of departments across campus, attending athletic events, and meeting other families, students, and administrative staff.

During Winter Family Weekend, the Division of Student Life will be hosting a special reception for parents on Friday, February 20th from 4:00 - 6:00 p.m. On behalf of Vice President for Student Life, Dr. Robin Holmes, I'm pleased to invite you to this exclusive event. Please join us for complimentary beer, wine, and appetizers! Dr. Holmes and our Dean of Students, Dr. Paul Shang, will provide an update on the state of the student experience at the UO and share information about family involvement including our **Parents Leadership Council (PLC)**.

A new initiative at the UO, the **PLC** plays a crucial role in the lives of our students and the future of the university. It will provide parents an opportunity to advise campus administrators and bolster financial support for student-centered initiatives. **PLC** parents will serve as valuable ambassadors for the Division of Student Life as we work to enhance the student experience and build a foundation for parent engagement and philanthropy at the UO.

We hope you will join us on February 20th to learn more about the PLC and the Division of Student Life. Please complete the **online RSVP form** by Friday, February 13th or e-mail me at eswanson@uoregon.edu. We look forward to hearing from you!
